OBJECTIVE: To find the right company that is willing to challenge my skills, so I can grow and learn with that company.

EXPERIENCE:

1998-Present

Frognets.com, Inc., Norwalk, CT.

(Promoted to Vice President of Operations in 2002 - Production Manager from 1999 to 2002)

As VPO I coordinate each project from start to finish with the client and Frognets's talented staff of designers and programmers to make sure that every detail of the project is fulfilled to the clients and Frognets's expectations. **As Production Manager** I work with Frognets's production team to make sure every detail of the project was being fulfilled, along with working on the projects myself. I worked with Flash to produce animated intros, web sites, interactive brochures and training CD's. I also take the designers work and turn those designs into html web pages. Creating rollover effects, making sure the content of each page is produced correctly and is functioning properly in the way that the designer intended.

1999-2001

Williams Associates Protective Services, LLC., Bridgeport, CT.

(Freelance Web Site Designer and Developer)

Design and produce web sites for clients and for employer.

1997-1998

Alphagraphics, Norwalk, CT. (Customer Service Representative)

Working with clients to help produce graphic content for Brochures, flyers, sales reports, and multimedia presentations.

1985-1997
